

Centre for Academic Development

Established in 1996 with the purpose of academic interaction and sharing of knowledge, Centre for Academic Development provides a platform to our faculty members to develop inter disciplinary approach. Papers have been presented on diversified subjects by the faculty members of the College and also by guest scholars and persons of the Corporate Sector.

CAD, Under its Co-ordinator Dr. S Iftekhan Nabi, is dedicated to strive towards the development of inter-disciplinary approach through a series of lectures.
