

# PLACEMENT CELL

The Placement Cell of the college has, ever since its inception, proven worthy in its task of providing trustworthy employment opportunities to our students. In the last few years, the Cell has performed wonderfully by inviting renowned companies like **Wipro, TCS, Infosys, IBM, HSBC, ACC Cements, Genpact etc.** to the college for campus placement. The college has a strong relationship with **Wipro** as its campus partner. It has also struck a deal with the **worlds leading limestone producing and supplying firm** Carmeuse. This Belgium-based European business leader will collaborate with the college for human resources for its operations in India and other South Asian Countries. The Cell organizes special career counseling sessions and career awareness programmes along with its routine activities.

The College has a partnership understanding with Wipro, who are our Campus Partner and help us in the placement of our students.
