

LIBRARY

The College library possesses a rich collection of text books and reference books to support the educational need of students and faculty members. Every year a good number of books are added in the stock. Efforts are made to update the library and make it more user friendly.

The library has a Faculty Studies (for teachers) and a separate reading room for students. It also has Central Xerox facility for its users where they may get relevant books and reference materials photocopied in a subsidized rate.

With the assistance of UGC, New Delhi the College library has started Book Bank Scheme for needy and meritorious students.

The college library is open from 8:00AM to 8:00PM
